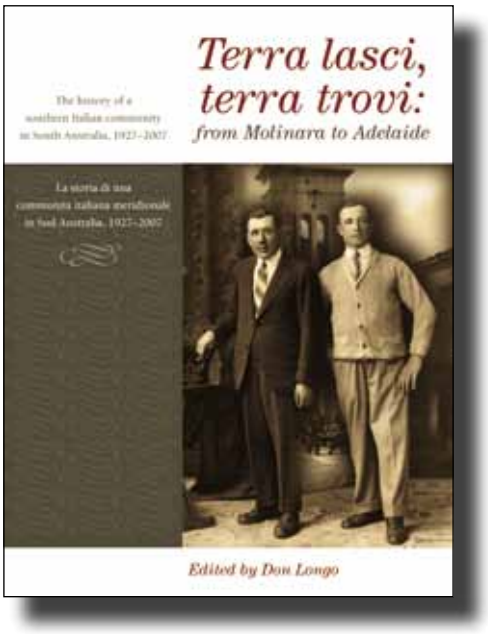
Terra lasci, terra trovi:

from Molinara to Adelaide



The history of a southern Italian community in South Australia, 1927–2007

La storia di una communità italiana meridionale in Sud Australia, 1927–2007

edited by Don Longo

Dual language text – English and Italian / Testo bilingue – inglese ed italiano

Terra lasci, terra trovi tells the story of Molinara and Molinarese migration, settlement and adaptation to Australia. The record speaks of continuity and rupture: of two communities separated in space but intricately tied together by blood and history, common customs and traditions; and of the immigrants' gradual acceptance of Australian ways and their integration into Australian society.

Terra lasci, terra trovi: a home left behind in Italy; another home found in South Australia.

This book comes with an **accompanying CD** containing over 3,000 historic photographs of Molinarese migration, included in the purchase price. Suitable for Macintosh and Windows.
